

ROCK PAPER SCISSORS

Wednesday, February 8, 2012 at 10:05

Riverside School, along with many other schools in Medicine Hat, have been participating in a Junior Achievement **Rock Paper Scissors** event the week of Feb 6th – 10th, with an in-school Rock Paper Scissors challenge.

Each school has been sponsored by a local business, to raise money for Junior Achievement. 100% of the funds go into purchasing student handbooks for Junior Achievement classes. THANK-YOU **Bridge Church** for sponsoring **Riverside School** and for providing us with T-Shirts for our final four winners!

The **final four** students who win our school mini-tournament will also be receiving VIP Semi-Finals Passes which will qualify them to go directly to the Semi-Finals for a good chance at the \$500 cash grand prize, at the upcoming **Junior Achievement Rock Paper Scissors Championship**, held at the Esplanade, Saturday, February 12th from 1-3PM.

To ensure it is affordable for all families and students to participate (this is open to all ages), Junior Achievement is keeping registration low at \$5.00 per person or \$20 for a family to come and compete. This Championship is open to everyone, so please mark your calendar for this affordable, fun family event! The Champion will win \$500 cash, as well if any Riverside School student, faculty, or family member wins the event, **\$500 cash will be given to Riverside School!** The more of our students who attend the Championships, the greater chance we have at winning the \$500.

Thank-you to Junior Achievement for helping coordinate this fun family event, as well as committing to better the lives of our Medicine Hat youth.
